ONLY
£9.99

5 TON - 2 PIECE - 8 METRE RATCHET STRAP

WAS £13.64 NOW £9.99

Our 8 metre ratchet strap is an essential accessory for a range of industries including construction, manufacturing and engineering. The 50mm wide two-piece strap is suitable for up to 5 tonne loads and is lightweight and flexible. Its compact ratchet tensioner can be operated by a single person and a fail safe release catch and integral handle help to protect the operator. Better still, the ratchet handle allows the correct force to be applied without the need for any additional levers. Each loading strap is made from the high quality, high tenacity polyester webbing, ensuring this is a strong and safe addition to your kit.

- Made from the high quality, high tenacity polyester webbing
- Two part lashing is lightweight and flexible
- Compact ratchet tensioner that can be operated by a single person
- A fail safe release catch and integral handle protect the operator
- Handle allows the correct force to be applied without the need for any additional levers
